Tuesday, September 23rd
5-7 p.m.

You're invited to *Stoneybrook's Annual Meet the Teacher* evening. This fun and casual evening is an excellent opportunity for you to meet your child(ren)'s teacher(s), see their new classroom(s), and get to know the Stoneybrook community even better.

Join us for pizza, refreshments, and Stoneybrook's favourite toonie jars, (see over for more info).

Meet your child's teacher(s) in their classrooms, then stay for dinner and some fun. Also, back again this year is the '*Information Station*'. Visit the library and learn everything you need to know about Stoneybrook and the year ahead. Here you'll find Stoneybrook Staff, members of the Stoneybrook Parents School Council, as well as various community organizations ready to answer any questions you may have about:

- bullying & school safety
- public health issues, nutrition & immunization
- community clubs and organizations
- The Lunch Lady
- London Police & Fire Services
- Stoneybrook Parent School Council (SPSC)
- SPSC Hot Lunch Program
- volunteering opportunities
- Project Shark Play
- And much more

We are pleased that once again **Scotiabank** will be partnering with us and matching our gross profit for the evening up to a maximum of \$5000. That means, when you spend a dollar, **Scotiabank** gives us one—money that will make a difference in our efforts to raise funds for 'Project Shark Play'.

Stoneybrook is most fortunate to have the support of Scotia Bank and the community at large.

We hope you'll drop in and support our school.

So join us, on Tuesday, September 23rd.
Dinner's at Stoneybrook!

Calling all TOONIE Jars!

TOONIE JARS are a fun and long standing tradition at Stoneybrook. Donated '*jars*' filled with treasures and treats are sent into the school. Students then use their tickets purchased at **Meet the Teacher** to win a '*jar*' filled with surprise goodies!

We kindly ask for donations of goodie bags filled with new, unopened & nut-free items to be sent to school by Monday, Sept. 22nd.

Here are some ideas and important guidelines:

- Think outside the 'JAR'. Use only nut-free containers, to package your items, (Ziplocs, cello bags, or \$ store containers are great!)
- Approximate value of the 'jar' should be \$2
- New & nut-free items only please.
- Be creative! Candy is always a hit, but the students also love funky pens, markers, highlighters, erasers, stickers, key chains, and trinkets too!

We need a few volunteers to assist with the evening.
Please consider a 30 minute shift.

Send us a quick email at:

volunteer@stoneybrookpsc.ca

and let us know what time suits your schedule.

You will be contacted by the SPSC with the time and location.

Thank you for your help and support!
