

# Charity Quarter Auction

This Charity Quarter Auction is benefitting Stoneybrook Public school's FDK Playground revitalization project.

Tickets are \$5.00 and are available from any of the FDK teaching team members. This is a fun event that includes 12 different vendors.

Never been to a quarter auction? Let me explain how it works! Your 5.00 ticket includes entry fee, numbered paddle, bottle of water and some treats for your enjoyment. Additional paddles may be purchased for \$2.00 each.

Each vendor has selected an item from their product line with a value anywhere from \$20—\$ 150 dollars. Each item has a bid value from one quarter to four quarters. As the item is presented if you are interested in bidding you simply put the bid value into the bin for each paddle you want to bid with. If your number is called you WIN!! If you chose not to bid but your number is called you say "No bid" and another number is chosen. You have a chance to win for as little as 25 cents.

The third round of bidding goes to the charity. Our success is dependent on the level of participation that the school community has. We are hoping to raise upwards of \$1000.00 for future initiatives in the revitalization plans.

We hope you will help to make this event a huge success.

PADDLES  
UP!

Date: Tuesday July 5th

Time: 7:00- 9:00

Where: Byron Legion 1276 Commissioners Road London, Ont.
